

Be the Answer... to !!!!!

Do you need to get some work done? The Lawn mowed? Help Moving? Or just need help cleaning the house? And at the same time would love to sponsor a student for a missions' trip to India this summer?

Sponsor one of the following Southeastern students: **Colin Harris, or Seth Spencer** by hiring them (for pay) to do these things for you. (Pay is negotiable between the student and the sponsor.)

Let us help you so that we can help them.

If you would like to hire out one of these fine young men, you may contact them by e-mail:
