

Turn It In – Quick Start Instructions

- To get you started with Turnitin, use the below links to process through the instructor **quickstart manual** or video. You will need to enter the account ID 39656 and the joint password SCplag2005

http://www.turnitin.com/static/pdf/tii_instructor_gs.pdf

http://turnitin.com/static/videos/instructor_ppm_choice.html

Once you create a user profile, you will be asked if you want to use the instructor startup wizard. Turn It In recommends that all new users use the wizard to setup their first class and assignment.

- Detailed instructions on how to use our service can be found at:
<http://www.turnitin.com/static/training.html>

The usage manuals provide detailed instructions for each Turnitin user type: Administrator, Instructor, and Student. Individual subscribers should review both the administrator and instructor manuals.

- **GradeMark** is a revolutionary online grading system that frees instructors from the limitations of pen-and-paper grading and gives them the ability to mark student work in a unique, paperless environment. This tool also assists in creating a level of objectivity within the grading process while measuring progress-over-time and can assist schools in proving due diligence during many accreditation processes. For more information, please watch the GradeMark video at: http://www.turnitin.com/grademark3/index_static.asp) and/or download the datasheet http://www.turnitin.com/static/resource_files/datasheet_grademark.pdf

I encourage faculty to attend one of the live webinar training sessions held by a Product Specialists first, then refer back to the training materials on the website for “refreshers”. Please know that the WebEx training sessions are complimentary. You will be notified, by e-mail, about future webinar training sessions.

For tech support help, contact the **Turn It In Help Desk** via e-mail: helpdesk@turnitin.com or by phone at 510-287-9720 ext. 241.

P.S. There is a Blackboard integration component. You can access the manual at: http://turnitin.com/static/pdf/BlackboardVista4_Integration_Manual.pdf Please make sure you contact our IT department for approval 863-667-5156
