

Specialty pharmacy drug list

January 1, 2024

Optum® Specialty Pharmacy provides specialty medication support through your pharmacy benefits with Optum Rx. Optum Specialty Pharmacy provides comprehensive support services, including access to pharmacists around the clock, for high-cost oral and injectable medications used to treat rare and complex conditions. In addition, your medications will be shipped to you at no extra cost.

Characteristics of specialty medications

Specialty medications are often drugs you take by mouth or inject. For a medication to be filled through Optum Specialty Pharmacy, it must be at least one of the following:

High-priced

- Can cost more than \$1,000/30 day supply

Complex

- Drug imitates compounds found in the body
- Part of a specialty drug class

High-touch

- Special shipping or handling like refrigeration
- Needs a doctor or pharmacist to measure how well it works for you
- Special steps to follow as you take
